About Us

We're a supplier of high quality, 100% original Brazilian Products. We are located inside Brazil, so you can be sure that our products are 100% authentic. We buy directly from factory outlets. We can supply ANY product manufactured in Brazil and in ANY quantity, so talk to us about products you do not see in this catalog and we will consider adding it to our portfolio. We work with delivery agents in Guyana to deliver Brazilian products to you in a fast and efficient manner.

Please Note: Our primary target market is Guyana, South America, but we can supply Brazilian products to ANY part of the world. If you live outside of Guyana and you would like to order any of our products, please do not hesitate to contact us.

This catalog features fragrances and cosmetics for both men and women.

For Free Distribution

This catalog is for free distribution. It is also freely downloadable from our website: www.brazilianproductsgy.com. You are free to give this catalog away to anyone, post in groups, share via WhatsApp, email, social media, etc, as long as you do not alter the contents in any way.

How to Order

To order any of the products featured on this catalog, please connect with us using any of the contact information provided below. Please note that WhatsApp is likely to elicit the fastest response from us. If the product you are ordering is available in stock at our delivery agent in Guyana, it will be delivered within 1 to 10 days depending on your location. If the product is not in stock with our agent, it will take about two weeks to ship from Brazil and a further 1 to 10 days to be delivered depending on your location.

For wholesale orders, we can ship your order to you directly from Brazil via our delivery agent. Depending on the size of the order and the type of product, you may need an import license in some cases to order wholesale.

Delivery Agents

Our delivery agents are fast, honest, reliable, and efficient. Delivery agents purchase and stock our products for delivery. We advertise via our website (www.brazilianproductsgy.com) and pull in orders, then pass the order to our delivery agent closest to you via WhatsApp. Once the delivery agent receives your order, he or she will call or message you to arrange delivery at your home or a location of your choice. You pay only when you receive and are satisfied with your product!

Our current delivery agent, Mr. Annandram Persaud, is a taxi driver who resides in Industry Village, Region 4. Therefore, all orders between Industry and Georgetown are free of charge. Persons residing further along the East Bank, East Coast, and other areas may have to pay a delivery fee which varies with your distance away from Georgetown.

Our delivery agents earn a generous commission for every product delivered and earn a scalable credit line based on performance! Talk to us if you would like to become a delivery agent of Brazilian Products!
